

PRESERVE POINT LOMA PETITION TO THE SAN DIEGO CITY COUNCIL

STOP! the 4 lot subdivision and carving up of the old Jessop Estate located at 414 La Crescentia Drive, La Playa which is inconsistent and violates the existing Peninsula Community Plan, contains significant multiple deviations of the San Diego Municipal Code regulating access, setbacks and height, located on an environmentally sensitive steep hillside and sets a bad precedent for future development adversely affecting the community character and quality of life.

We, the undersigned citizens of San Diego OPPOSE this project and urge the San Diego City Council to DENY the Coastal Development Permit No. 545699, Site Development Permit No. 545700 and Vesting Tentative Map No. 760837, with modifications.
